PROFILE

I am a highly motivated and enthusiastic individual with a passion for frontend web development. Although I do not have any prior professional experience in the field, I have completed multiple online courses and projects to develop my skills in HTML, CSS, JavaScript, and other web development tools

EXPERIENCE

DIGI NOWA

Really Great Company

2023 - Present

- front end web-developer

PERSONAL PROJECT

- As a web developer, I am currently working on a shopping website project for a clothing store. The objective of this project is to bring the store online and make its products accessible to customers through a user-friendly and visually appealing website.
